

Peters Green News Sheet Issue No: 73

Sunday 25th July 2021

With the change in Covid rules congregational singing is allowed from Sunday 25th July. Social distancing and face masks will not be required by law. The Covid virus remains in the community so masks are still advised for crowded indoor spaces but not mandatory. Some retailers, public transport and taxi companies may still require the sensible precaution of face masks to be worn.

As a result of the changes in Covid rules the first service at the chapel will be this Sunday.

‘Songs of Praise’
led by Mrs. Liz Higgins
